## COVID-19: *IMPACT ON SHORT-TERM INVESTMENTS & FINTECH*

As a trusted, independent portal provider, ICD keeps the corporate treasury community plugged into the trends impacting money market funds and other short-term investments. This week we'll highlight the latest thinking from one of our leading fund partners, Federated. Senior Portfolio Manager and Chief Investment Officer, Global Liquidity Markets Deborah Cunningham will join ICD CEO Tory Hazard to discuss:

- Coronavirus impact on monetary policy
- Effect on Short-Term Investments
- Expectations of FinTech providers in time of uncertainty
