MONEY MARKET FUNDS IN TIMES OF UNCERTAINTY:

IMPACT & OPPORTUNITY FOR SHORT TERM INVESTMENTS

The impact of COVID-19 on the markets and the resulting moves by government agencies to bolster the economy is creating uncertainty, as well as opportunity, for institutional investors. As a trusted, independent portal provider at the intersection where corporate investors and fund companies meet, ICD brings the latest thinking behind the trends impacting money market funds and other short-term investments.

In this segment of ICD's Spotlight Series, hosted by ICD CMO Justin Brimfield, investors will hear from Invesco's Head of Global Liquidity and Chief Investment Officer Laurie F. Brignac. Join ICD and Invesco for this brief teleconference, designed to keep you in-the-know.
